01/04/2020

Good day Parents

We realise that the children are becoming restless and bored from being in indoors for such a long time however we need to appreciate the time we spend with them.

Here are some of the age appropriate activities from the Department of Education and the Department of Social Development that you can do with your children during the lockdown. This will also help them to remember what we do at school.

**Make it FUN and we recommend you stick to the age appropriate activities.**

Stay home! Keep safe and healthy, hope to see you all soon.

Yours in Early Childhood Development

Land of Joy Management
